 <b>RP-500 Reduced Pressure Assembly Lead Free</b>				
RP-500	Size	Model #	Description	Price
	1/2"	RP-500-050	1/2" Reduced Pressure Assembly	\$ 330.00
	3/4"	RP-500-075	3/4" Reduced Pressure Assembly	\$ 443.00
	1"	RP-500-100	1" Reduced Pressure Assembly	\$ 508.00
	1 1/4"	RP-500-125	1 1/4" Reduced Pressure Assembly	\$ 856.00
	1 1/2"	RP-500-150	1 1/2" Reduced Pressure Assembly	\$ 927.00
	2"	RP-500-200	2" Reduced Pressure Assembly	\$ 1,045.00
<b>TK-505</b>				
<b>Model TK-505 Test Kit</b>				
		TK-505		\$1,850.00
(5) valve kit provides the capability for testing all brands of reduced pressure principle, pressure vacuum breaker and double check valve backflow prevention assemblies. Portable / Removable from Case- 5 Year Warranty				

 <b>DC-500 Double Check Assembly Lead Free</b>				
DC-500	Size	Model #	Description	Price
	1/2"	DC-500-050	1/2" Double Check Assembly	\$ 243.00
	3/4"	DC-500-075	3/4" Double Check Assembly	\$ 293.00
	1"	DC-500-100	1" Double Check Assembly	\$ 332.00
	1 1/4"	DC-500-125	1 1/4" Double Check Assembly	\$ 487.00
	1 1/2"	DC-500-150	1 1/2" Double Check Assembly	\$ 614.00
	2"	DC-500-200	2" Double Check Assembly	\$ 688.00

**Features, Advantages and Benefits:**

- Sizes: 1/2", 3/4", 1", 1 1/4", 1 1/2", 2".
- UV Resistant Nylon Composite Plastic Material
- Theft Deterrent
- Modular Design for Easy and Quick Service
- Low Head-Loss
- Resistant to corrosion and scaling
- Internal control system ensures reliability
- Working Pressure: 150 psi.
- Temp: 33° to 110° f
- Light Weight            10 Year Limited Warranty
- Long working life with easy maintenance
- Variety of installation options

**Approvals:**

**Materials:**

- Body..... Polyamide 6.5% Glass Reinforced Nylon
- Cover..... Polyamide 6.5% Glass Reinforced Nylon
- Polymers... Noryl, NSF Listed
- Elastomers... Silicone
- Springs..... Stainless
- Shut Off Valves... Lead Free Bronze

**Anti Theft Backflows**

- LEAD FREE
- THEFT DETERRENT
- EASY MAINTENANCE

**RP-500**
